EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Harriet M. Strimpel on October 24, 2005.

The application has been amended as follows:

Rewrite claim 1 to read:

--1. A substantially pure Type II restriction endonuclease obtainable from *Bacillus thermoglucosidasius* 36 A (ATCC Accession No. PTA-6692) recognizing the following base sequence in double-stranded deoxyribonucleic acid molecules:

5'-GCGATGNNNNNNNNNN↓-3' (SEQ ID NO:9)
3'-CGCTACNNNNNNNNNN↑-5'

and having a cleavage position defined by the arrows.

In claims 2-3, line 2, delete "*Bacillus thermoglucosidasius*" and insert therefore --*Bacillus thermoglucosidasius*--;

The following is an examiner's statement of reasons for allowance:

The examiner can find nothing in the prior art that would anticipate or make obvious the instant claims.

It is noted for the record that the written sequence disclosure and CRF filed 9/16/05 would normally be new matter since no sequence disclosure had been previously filed. However, the examiner examined the specification and found all 11 sequences present and labeled in the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles L. Patterson, Jr., PhD, whose telephone number is 571-272-0936. The examiner can normally be reached on Monday - Friday from 7:30 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ponnathapura Achutamurthy, can be reached on 571-272-
